We hope you enjoy our labels. If you have any comments, please do not hesitate to contact us.

WARNING: Important information regarding use with children.

Always remember that a sticker is not a toy and should be applied by an adult or under adult supervision. All our stickers are highly durable but not permanent. Stickers can be removed by peeling and can be swallowed by a child. Please take care and check the condition of the sticker regularly to prevent this happening.

Our stickers are intended for children over the age of 3.

Name Labels

Important information

- Name labels are laminated and therefore have a very long life.

- They are dishwasher and microwave safe. So you can attach them to lunch boxes, drinking bottles and school supplies.

- However, they are not designed for labelling children's clothes where they won't stick (use our stick-on clothes labels or iron-on labels to label children's clothes).

- The name labels have a strong adhesive and stick very well once applied. However, they can always be removed.

Instructions for applying name labels

1 Clean the surface
Apply the name labels to a surface that is free of any dirt or grease.

2 Press firmly
Peel the name labels off the sheet and press them firmly onto the surface.

3 Smooth the edges
Smooth the edges and press out any air bubbles under the sticker.

4 Allow to dry
Allow the name labels to dry for 24 hours after application before placing in the dishwasher.

5 Warning
Remember that name labels are not toys and that they should be applied by an adult.
