We hope you enjoy our labels. If you have any comments, please do not hesitate to contact us.

WARNING: Important information regarding use with children.

Always remember that a sticker is not a toy and should be applied by an adult or under adult supervision. All our stickers are highly durable but not permanent. Stickers can be removed by peeling and can be swallowed by a child. Please take care and check the condition of the sticker regularly to prevent this happening.

Our stickers are intended for children over the age of 3.

# Stick-On Clothing Labels

## Important information

- Applying stick-on clothing labels is very easy (no embroidery, no ironing, no markers).
- When applied correctly, they are very durable and long-lasting, but are not permanent and are intended for temporary marking of garments.
- Clothes labels are attached to nylon care tags with instructions, they do not stick directly to the garment.
- It is recommended that garments with stick-on labels are washed at a maximum of 40 degrees at 800 rpm.
- Remove wet garments from the washing machine after washing. If you leave wet clothes in the washing machine overnight, the labels may come off or be damaged.
- The use of fabric softeners, stain removers and laundry detergents may shorten the life of the labels on your garments.

## Instructions for applying stick-on clothing labels

- 1 Wash the clothes**  
Apply the stick-on clothing labels to a surface that is free of dirt and grease.
- 2 Press firmly**  
Remove the sticker from the sheet and press it firmly onto the garment care tag with instructions (not directly onto the garment).
- 3 Smooth the edges**  
Smooth the edges and press out any air bubbles under the sticker.
- 4 Allow to dry**  
Allow the sticker to dry for 24 hours after application before washing.
- 5 Warning**  
Remember that stickers are not toys and should be applied by an adult.
